Dear Mrs. Booth, about a
This is a story about a day
at the beach with a dolphin
who explores the ocean

Once upon a time
there was a baby dolphin
that got taking away from
lit's family. When the dolphin
got older enough she was
let go on her own and
went to explore the ocean.
She sees starfish, fish, plants, and
sand it was the happiest
dolphin in the world. Then
she married some other
dolphin and had a baby
