Once upon a time there was a nerdy flamingo that only ate fish. One day while riding the bus to school nobody wanted to sit by him. He thought "Why is nobody sitting by me?" "Wait! I know because I just got my glasses yesterday so everybody thinks that I'm a new kid!"

Just then he heard someone say: Attack!!!
the flamingo said "Stop the bus!"
the bus driver stopped the bus and
the flamingo got off the bus and
heard the sound of swords hitting
each other and went toward the
sound and saw it but someone said
"Man down Man down!" the flamingo
said "I can help!" then he took
a gun and started hurting the
enemy. Two hours later the enemy
was dead and everyone loved the
flamingo.
