Familea was listening to the music of her friend Draconia the dragon. When she heard enemies shouting "Attack!" and pounding on her door, "I can help!" said Draconia, and she blew a fiery blast on the enemy. There was peace forever.

To be continued.

The Dragon's Secret  
"DRACONIA WHERE ARE  
ALL THESE SCALES COMING  
FROM?!" "SSSSORRY!" Draconia  
stammered as she slammed  
the door "Get downstairs and  
clean them up!" And then  
Draconia fell and hurt her  
wing. "DOCTOR!" The  
dragon doctor hurried over  
"Looks like you have a broken  
bone, Draconia!" "A broken bone!"  
"How am I going to fly with  
that?" "Wing bones heal quickly."
