Parent/Guardian RESOURCES

The National Center for Missing & Exploited Children, NY (NCMEC/NY) is available for families in crisis when a child goes missing. Additionally, NCMEC/NY provides free child safety and Internet Safety programs and resources to help families prevent abduction and exploitation. Add these to your parenting “tool box” and emergency contact lists.

To Report a Child Missing

Immediately contact 911, then call the NCMEC hotline at:
1-800-THE LOST (1-800-843-5678).

Web Resources:

www.missingkids.org/NewYork

Learn more about NCMEC/NY, download publications, view posters of missing children, or become a poster partner.

www.cybertipline.org

Report online crimes against children here or call **1-800-THE-LOST**.

www.NetSmartz.org

Internet safety resources for parents, educators, law enforcement, kids and teens, along with links to the following websites:

- www.netsmartzkids.org: 3D animated videos, games, and more!
- www.nsteens.org: Animated videos featuring NSTeens characters, comics, and games for tweens and real life story vignettes for teens.

www.KidSmartz.org

An abduction prevention program for families that empowers kids in grades K-5 to practice safer behaviors. On the website, you will find:

- an Education Kit with lesson plans for teachers.
- animated videos that demonstrate the safety rules.
- “The Safety Dance” music video that reinforces the safety rules.
- an interactive quiz and printable activities for kids.
- articles, tip sheets, role-playing exercises, and a checklist for parents.

Safety Central App

Developed by NCMEC, download this free app onto your smartphone. Use it to compile and store Child ID photos, fingerprints and data, plus connect to educational tips, resources, and view missing kids posters.
