Once upon a time there was a nerdy flamingo who only ate fish. He was the most scared, silliest, and wierd. He says "whats up doc" every morning. One day the king ordered him to save the princess from the evil wizard. After

the princess was saved. He had to feed the dragon. He was scared. He put on his glasses and thought of a plan to feed him. He fed him something ^{secret,} he fed him a piece of beef. The wizard was back with a big robot. He crashed the dragon's shed. The nerdy flamingo hopped on the dragon and fought with the wizard. He burned the robot's arm. He also burned his other arm. And they lived happily ever after.
