

Sherman Central School Census of Disabled Children

The Sherman Central School District is required to conduct an annual census to identify disabled children from ages six through twenty-one years of age. Parents or Guardians who have a disabled child or disabled children who are not enrolled in the District's Special Education Program should complete and return this form to initiate the registration process. Please call the Chairperson of the Committee on Special Education (761-4801) if there are questions prior to completing the form.
