- Public Hearing on Dec. 10 at John Butler Aud
- Mike Ginestre (716) 761-6122
- mginestre@shermancsd.org
- VOTE ON DECEMBER 18, 2018

### Why a Capital Construction Project?

- Strengthen and solidify SCS for decades
- Expand programming so our students can compete with their peers
- Improve security
- Maintain facility to keep it safe

### The Project

#### Proposition #1

Address items from the Building Condition Survey.  
Project includes moving the main office to the front entry, constructing a secure entryway, roof replacement, sidewalk replacement, catch basin, chimney replacement, securing wall columns, replacing plumbing fixtures, and building access controls.

**Cost:** \$3,628,583

#### Proposition #2

- Addition of a new varsity size gymnasium, a special education classroom and a Science, Technology, Engineering, Art, and Math room. Also includes a secure entrance in back of building.
- **Cost:** \$2,215,000
